## **Mrs. Peterson**

Mrs. Peterson has recently decided to come back to the school. As she says, "She missed the students, coworkers, and that this job gives her time with her family at home." Mrs. Peterson came to the school in 2014 and worked as a paraprofessional in 1st and 2nd grade, she has worked as a Home Economics teacher, and a PE teacher. She loves the light bulb moment that occurs in her students when she's teaching something new.

## **Principal's Message**

Franklin Families, Students, and Faculty,  
REMINDER: Students will not be released to parents/guardians unless they have a green placard on their dashboard when they are driving through the pick up line or in their physical possession when they walk up to pick up their child. This procedure is in our student handbook and a safety concern. Thank you for your continued support,

## **Pick up and Drop Off Procedures**

The town of Prescott Valley **WILL NOT ALLOW** parents to use the Hwy 69 Frontage Road for picking up or dropping of your child/children. You may drop off your child/children in the morning using E. Copper Hill Drive beginning at 7:15. Traffic will flow from WEST to EAST. The E. Copper Hill Drive gates into the school will close at 8:15. If you arrive at school after 8:15 then you will need to drive to the junior high office located on Frontage Road, **PARK AND WALK** your student into the junior high office.

After school dismissal will **ONLY** take place on the elementary side of the school which is located on E. Copper Hill Drive. There will be **NO** dismissal from the junior high office located on Frontage Road. Do not arrive to pick up your elementary child before 2:45 PM. The gates will be closed until 2:45 PM.

You must approach the school for pickup using Stoneridge Drive and get into the line to turn onto E. Copper Hill Drive. Then pull off to the right-side easement to avoid blocking traffic. DO NOT turn right onto E. Copper Hill Road from N. Aaron Drive and cut into traffic that is pulled off to the right side of E. Copper Hill Road.

Parents you **MUST** not be on your hand held cell phone when you are in the pick up or drop off line. This is a serious safety concern as we need your full attention during pick up and drop off.
