Roof Repairs

Recently at Franklin the roofs of a few
buildings have been repaired. This is due to a
grant called the ESSER III, it was approved by
the Department of Education in September this
school year. This is the same grant that allowed
exterior painting earlier this school year. The
grant should cover the costs of the repair and
also of some of the maintenance around the
school.

Mrs. Axe

Mrs. Axe is Franklin's art teacher, this is
her second year here. She has a bachelor's
art studies degree from ASU, and has
studied art at Phoenix college for years. She
likes to work on her own personal art and
sewing projects. She wants kids to do their
best and get excited about art. She thinks art
is a great outlet for everyone.
