Leonard Wibberley's
**The MOUSE That
ROARED**

Comedy
Adapted by
Christopher Sergel

Thursday
May 18, 2017
1 pm and 7 pm

produced by the 21st Century
Jr. High Drama Class
Franklin Phonetic School
Albert O Davis Auditorium

Presented by special arrangement with
The Dramatic Publishing Company of Woodstock, Illinois

"Hilarious, rib-tickling comedy," wrote one leading critic, adding that he considers it "the funniest on record"

A pretty girl of 22 happens to be the present Duchess Gloriana, sovereign of a microscopic country in the Alps founded centuries ago by a roving band of English bowmen. Gloriana's unique solution to the near bankruptcy of her tiny domain is to declare war on the U.S.! There's some method to her madness, however, for her study of recent history suggests that the surest way to wealth today is to lose a war with the United States, for that country's odd reaction is to pour aid, relief and rehabilitation on the vanquished. When her "declaration" is considered a prank, Gloriana decides to escalate! Tully Bascomb, presently in charge of the bowmen, is to launch an attack so they can surrender and reap the rewards. Serious-minded Tully, however, upsets all calculations when he and his bowmen do the last thing expected—they win!

Franklin's final performance of the year!

Jr. High Drama performs on May 18: 1 pm and 7 pm

Elementary Field Day is Tuesday, May
23rd!!

We are looking for wonderful parent
helpers. If you are available to donate your
time to run games during field day, please
fill out the form below and return it as soon
as you can.

Thank you,
Mrs. Young

_____ Yes, I would love to help run games for field day! (field day
hours are 7:45-12:15)

Lice has been discovered in 1st grade

- Head lice are transmitted mainly through close head to head contact.
- Children working or playing in small groups are all at risk.
- Head lice may also be transmitted by sharing personal items such as brushes, scarves and hats.
- Parents, caregivers, and siblings may acquire head lice from younger children through sharing pillows, beds, towels, brushes or combs.
- It is important to get rid of lice as soon as possible so that other members of the family or close associates may avoid infestation.

Please check your child often over the next few weeks for signs of lice.

Symptoms may include:

Intense itching

Tickling feeling from movement of hair

Visible lice (they look like small light colored sesame seed sized bugs)

Nits (Lice eggs) that look like tiny white lumps at the base or near the base of the hair shaft that do not come off when you try to pull on them.

Small red bumps on the scalp, neck and shoulders

*For photos of what the lice and nits look like, please use Google Images to look up
"Louse in hair" and "nits in hair"*

If you suspect your child to have lice but you are not sure, please contact
Ms. Bauer at 775-6747 and ask her to check your child.

Our new policy: Students may return to school after they have had the proper lice treatment (Shampooed and combed using a lice kit) and there are no more live bugs in their hair. Be sure to do the follow-up shampooing as directed by the kit to prevent further infestations.

How to get rid of lice

If your child shares a room with another sibling please follow all steps for the other child too even if you do not see lice on the other child.

Step 1: Use a lice kit such as LiceMD, RID or Nix that comes with the lice pick (comb) and the shampoo. Buy extra shampoo for extra children. Be sure to follow the directions EXACTLY.

Step 2: Wash ALL bedding and linens where the child's head has been using the hot water setting on your washing machine. Wash all sheets, blankets, pillowcases, dirty laundry, hats and scarves that may have been used in the last 3 weeks. If the item should not be machine washed then please refer to step 3.

Step 3: Choose 4 or 5 outfits for the child to wear and put ALL of the other clothing into garbage bags and tie them. Keep the clothing in the bags for at least two weeks to be sure and kill any lice or nits that may be on them. This will include extra pillows, stuffed animals, clothing, couch throws, throw pillows, and jackets. EVERYTHING that the child's head may have been on or near needs to be washed.

Step 4: Vacuum the bare mattress(es) and the floor in the child's room. Also vacuum the family couch, upholstered chairs, and carpet where the child likes to play or has laid recently.

Step 5: Check all other family members for lice and keep checking over the next few weeks.

Franklin Phonetic School will be offering summer school this year during the month of June. Please complete the registration form on the back side of this letter to enroll your child in summer school. Summer school will focus on Math, Reading and Writing academics.

Summer school will begin on June 5, 2017- June 30, 2017 from 8:00-11:00. The earliest that you can drop off your child will be at 7:45. Please register your child even if they will have to miss a couple of days due to prior engagements. We believe the experience of summer school will give them an invaluable start for the upcoming school year.

Acceptance into summer school will be on a first come first served basis. There will also be no snack or lunch provided during summer school due to budget cutbacks.

If you have any questions please contact the summer school co-coordinators, Ms. Fitch or Ms. Gabaldon at 928-775-6747.

Franklin Phonetic School

21st CCLC Summer School Program

Summer 2017 Registration Form
June 5 - June 30, 2017 (8:00-11:00)

SCHOOL NAME:
