

I grew up in the Northwest Suburbs of Chicago. GO BEARS! I moved to Arizona in 1997, and I met my husband in 2001. I have been married for 16 years. I have a 15 year old son (Logan) and an 14 year old daughter (Campbell). I have three dogs and six chickens and a pretty impressive vegetable garden.

This is my 30th year in education, and I have taught a wide variety of math and science classes at the junior and high school levels. I don't ever have free time, but if I do, I love to watch Fox News and shop at Fry's Food Stores!!
