

Ms.Felicia Gwinn

I have always had a deep passion for physical health for the majority of my life. Studied sports medicine at Yavapai College right out of high school. I've been an active certified instructor of group fitness for 8 years. The last 3 years I have been a certified yoga instructor. I have taught health and fitness to children in a studio setting as well as in a pre-school. I am very excited to share my passion for health and physical excellence with the students of Franklin Phonetics.
